

The Elite 100

Bettering Oklahoma's Youth!

Mission Statement— Increase the wether goat numbers sold in the premium auction at OYE.

How can we increase the wether numbers sold through the premium auction at OYE? This is the question that John Haffner, Lecil and Jeremy Church presented to Jeramy Rich, Executive Director of OYE. The response they received was, "raise \$25,000 and we will add at least 10 more spots in the sale." John, Lecil and Jeremy began making plans to accomplish this endeavor, thus, **The Elite 100** was born.

The Elite 100 is a collection of 100 generous participants from ten states, consisting of pure bred boer goat breeders, feed enterprises, equipment suppliers, interested individuals and wether goat producers. Each member has agreed to contribute \$250. Every year these members will have the opportunity to participate again. If a member declines, a new member will be added keeping the number at 100, assuring continued support for the additional wether goats placed in the OYE Premium Sale.

The Elite 100 has become a reality with all 100 slots filled. *A very special thank you to all 100 original members.*
